WILDCAT

Dear Jim,

I shall write on the very first page. So whenever you open this you'll think of me.

One of these days I'll explain about our <u>short</u> trip to Hobbs - I really am sorry I had to go.

How about teaching me how to whistle so I can play train? Okay?

I'll not say goodbye - Just until we meet again - somewhere sometime (up? or down?).

A friend forever,

Linda Wilder

WILDCAT

We, the Wildcat Staff of 1956, hope that this annual will help bring back memories of your high school days.

Between these covers appear the hopes, dreams, and inspirations of the students and faculty who have helped to make this year a success.

Though time shall pass and we shall part, this book will be an unbreakable link in your chain of memories. And if, when you look through these pages, you relive the happy days of yester years for just a while, our efforts have not been in vain.

Thus, we present this book to you; may your hearts be lighter and your lives be happier for the memories it may bring.

SO WE DEDICATE THE WILDCAT, SPRINGING FROM THE LEARNING

AND EXPERIENCE OF OUR SCHOOL DAYS, TO OUR FUTURE -------

MAY THAT FUTURE BE A BRIGHT AND WORTHY ONE!

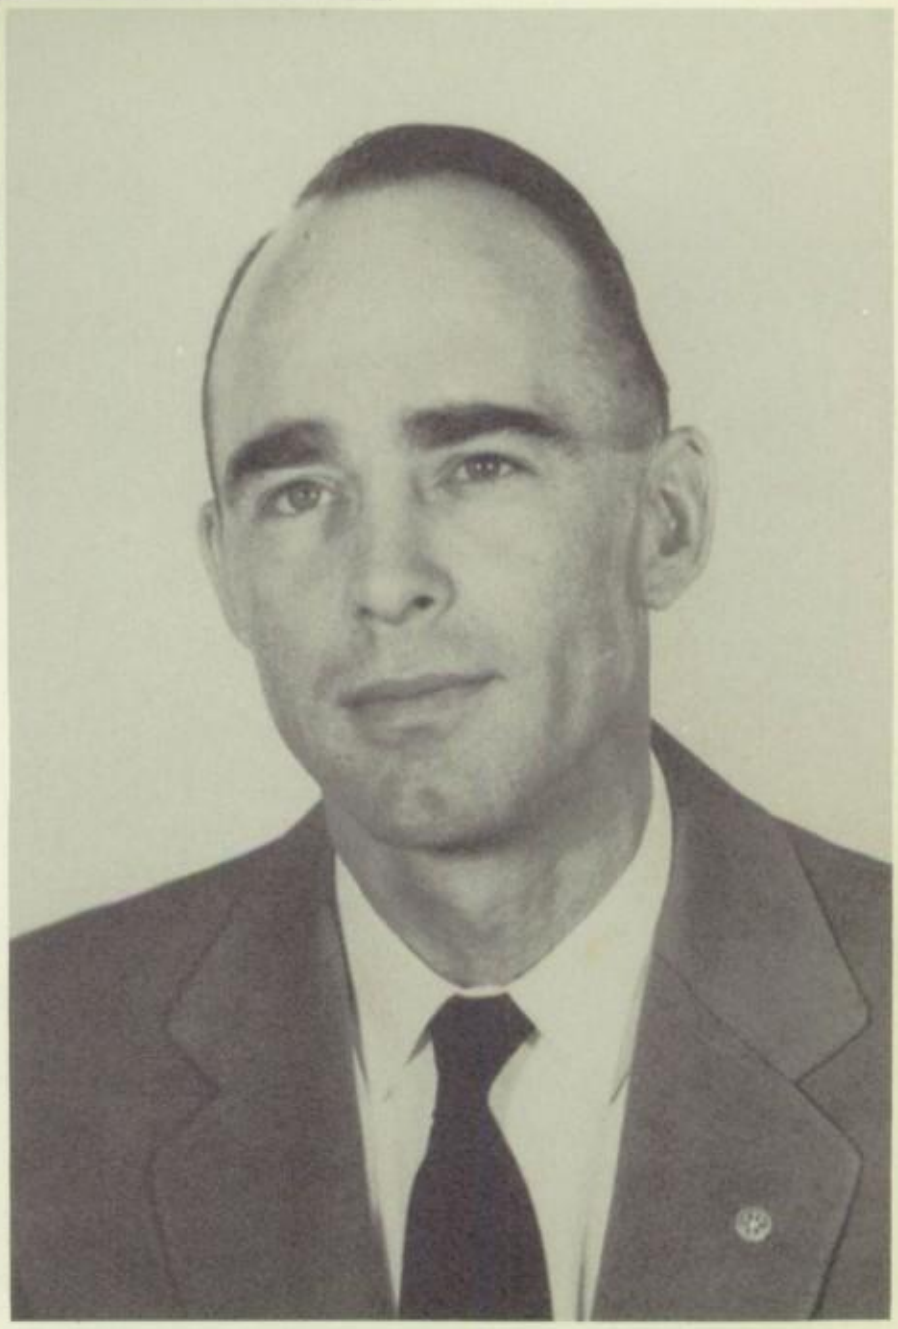
Greetings to the Students and Faculty
Members of Lovington High School

Congratulations to each individual student and each individual faculty member for your achievements during the school year 1955-56. It is a wonderful feeling to be proud, year after continuing year, of the students and the faculty.

May the years ahead find each of you students in places of leadership, may they be fruitful years of service to your community, your State, and your nation; and may they be years of happiness and gladness of heart.

With warmest personal regards to each of you,

MR. H. C. PANNELL
Superintendent



MR. LARRY CROUSE
Principal

I would like to congratulate the Annual Staff and sponsor for their excellent edition of the "Wildcat." It is hoped that the year has been a pleasant one for the students and faculty and that this book will help recall, in part, the activities and classmates that we will want to remember several years from now.

My wish for you is that you may continue to live and work by the same high standards and ideals you have so ably demonstrated this year.
